

RECOMMENDS REJECTION CHARTER CHANGE PAPER

Action Taken by Ordinance Body, Despite Hirschberg's Urgent Appeal.

Despite Councilman John Hirschberg's urgent appeal in favor of his resolution providing for the appointment of a special joint committee on charter changes, the Ordinance Committee last night returned the paper to Council with the recommendation that it be rejected. Mr. Hirschberg stated that he had no ulterior motives in insisting that the committee be named. He said he was not advocating any material change in the present form of government, and was totally opposed to a manager form.

The only change I have in mind," said Mr. Hirschberg, "is that of reduced membership of Council and the abolition of the bicameral Council."

I believe the commanding body, the members of which should be paid for their services, might be better able to take care of the city's interests than the present bicameral council.

A resolution designed to fit the needs of the emergency, with that of Council was referred to the Director of Police. With the written statement, a resolution requesting the director to include in his budget for next year provisions for the payment of uniforms, caps and equipment for policemen and firemen taking the same course. It is understood that the resolution will endeavor to secure action on the proposition of increasing the salary of all members of the Police Department.

Councilman Myers said he would support either paper, if Council would supply the funds.

An opinion from the City Attorney indicated that Council could not submit employment of nonresidents in positions in the city government that require technical or special knowledge, and a resolution designed to prohibit such employment was referred to the City Attorney.

The request that he prepare an ordinance requiring all persons employed by the city, who are not required to possess technical or expert knowledge, to be residents and voters of the city.

The committee authorized Director Myers to issue a traffic order changing the turning point for drivers when filled in route No. 1 from Addison Street to Syracuse Street. Director Myers said the Addison Street turning point was near a public school building and that the hazard was great.

The proposed ordinance requiring speedometers on all motor vehicles was recommended to Council for rejection.

ASYLUM INMATE TREATED PROPERLY

(By Associated Press) BOSTON, Nov. 16.—After a forenoon of protest at the McLean Hospital for the Insane, at Waverly, Acting Governor Alvan T. Tarr said today that he was convinced that the commitment to the institution of Dorothy Gordon, heiress to a \$400,000 state and her treatment there, were wrong in every way.

The public visit was for the purpose of investigating reports of irregularities concerning Miss Gordon's commitment and treatment. It had grown out of the hearing before a master of a controversy over her guardianship. Hearing of the petition of Miss Gordon's uncle, John Gardner, of Baldwin, N. Y., for the removal of William F. Jardine, of Winchester, as guardian of the girl, had been suspended for ten days.

To All Community Home.

Tickets for those wishing to see "Every Woman" which is being produced under the auspices of the Colonial Theatre House at the Strand Theatre Monday evening now on sale.

Governor E. Lee Trinkle has tentatively promised to be present with Mrs. Trinkle and members of his staff.

HIGH SCHOOL TO ENTERTAIN.

PETERSBURG, VA., Nov. 16.—The first entertainment to be given under the auspices of the Petersburg High School will take place November 21, when "Happiness" will be presented by the Lyceum course.

Tickets are being sold fast, and a large crowd is expected to witness the show.
